HIGH INTEREST AND RENT RECEIPTS ARE OUT OF DATE.

Progressive people quit using them when they understand our plan of loaning money anywhere at 5 percent for 10 years time. Borrower can return loan in easy monthly payments of \$7.50 per month on each \$1000 borrowed, with month oh each stood borrowed, with the privilege of making larger pay-ments or paying it all up at any time, thus stopping all interest. Figure up what you will pay for rent during the what you will pay for rent during the next 10 years, then begin right now to apply this on a home of your own and you will have it bought and paid for before you realize it. This applies to city or farm property. Release the high interest mortgages by our plan. As compared to 8 percent you save \$417.37 in interest on each \$1000. Any one can own a home. Just ask us how.
